

Profile:

I am currently a second-year Interior design student at the University of Huddersfield looking for a placement in order to further develop my skills in industry and individually. I am a dedicated, organised individual with a commitment to learning as much as I can. I have experience with dealing with a range of different customers and solving their queries.

Work Experience:

March 2019

Trading Assistant - Sainsbury's

- Replenishing stock.
- Code checking.
- Working on tills.
- Working in a fast pace environment.
- Working with customers on a first-hand basis.

January 2017 – May 2017

Customer Assistant, Capita 02

- Extensive contact with customers and dealing with queries.
- Dealing with inbound calls.
- Using a range of different computer systems.
